The HOT List

REDUCE, REUSE AND RECYCLE FOR GLOBAL RECYCLING DAY

compiled by LARA SARGENT

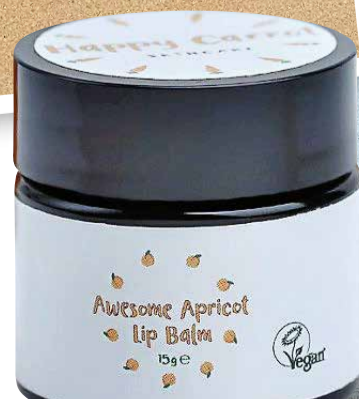

FLOORS TO BE RECKONED WITH

Cork is back – and we can see why. These sustainable, pared-back planks, made from waste cork from bottle stopper production and freshly harvested cork (as part of the tree's life cycle) look and feel naturally oh-so great underfoot. *Una* collection, from £80 per sq m, *Recork*, recork.co.uk. Buy it with the **Ownable** app

CLEAN UP YOUR ACT

Keep it clean by switching to this vegan skincare in recycled plastic pots, containing cold pressed oils made from upcycled food and drink waste. *Awesome Apricot Lip Balm* by *Happy Carrot Skincare*, £7.50, *Beyond Bamboo*, beyondbamboo.life. Buy it with the **Ownable** app

FLOWER POWER

Pretty up for spring with this floral-print cushion cover made from recycled cotton. Try the matching rug and wallpaper if you want to go full-blown, new-season blooms. *Navy Passion Flower 100 per cent Recycled Cotton Cushion Cover*, £16, *Ian Snow*, iansnow.com. Buy it with the **Ownable** app

GIN, GIN

We've found the secret to recycling with a smile: eco-refill pouches of gin. When your bottle runs low, top up with a letterbox-friendly pouch, which can be sent back to the distillery to be recycled or transformed into new products. *Strawberry and Black Pepper Gin - Bottle & Pouch Set*, £70, *Bullards*, bullardsspirits.co.uk. Buy it with the **Ownable** app

HANG IN THERE

Going green doesn't get any simpler – or more striking – than these gorgeous hanging planters, blown from 100 per cent recycled glass and inspired by the Eden Project's biodomes. *Canopy Hanging Planter*, from £32, *LSA*, lsa-international.com. Buy it with the **Ownable** app

SCENT-SATIONAL STUFF

We're waxing lyrical about these eco-friendly candles: gorgeous fragrances, tick; sustainable, soy wax for a slow, even burn, tick; recycled glass vessels that can be repurposed into coffee cups and mini flower vases, tick. *Eco Collection Candles*, £30 each, *Heyland & Whittle*, heylandandwhittle.co.uk. Buy it with the **Ownable** app
